

Research Officer Clonal Propagation Group

DR. MOHD NAQUIDDIN BIN HUSRI

Tel: +603 8769 4961

Email: naqi@mpob.gov.my

INTEREST

“Plant tissue culture, Epigenetics, Bioprocess, Molecular physiology

EDUCATION

Ph.D. Plant Sciences, Imperial College London, UK

M.Res. Molecular Plant Biology and Biotechnology, Imperial College London, UK

B.Sc. Applied Science and Islamic Study, University of Malaya

AREA OF RESEARCH

“Oil palm tissue culture, Oil palm mineral nutrition

AREA OF EXPERTISE

“Oil palm embryogenesis, Molecular biology, Proteomics
