

Group Leader Breeding and Quantitative Genetics Group

DR. MOHD DIN BIN AMIRUDDIN

Tel: +603-8769 4482

Email: mohddin@mpob.gov.my

INTEREST

Oil palm genetic resources, breeding for partial resistance to disease and breeding for oil quality.

EDUCATION

M.Phil. Plant Breeding and Crop Improvement,
University of Birmingham and University of Reading, UK
B.Sc. Biology (Hons.), USM

AREA OF RESEARCH

Plant Breeding

AREA OF EXPERTISE

Oil palm breeding (interspecific hybridization, backcrossing, disease partial resistance, oil quality).
