

Research Officer Breeding and Quantitative Genetics Group

MR. MARHALIL BIN MARJUNI

Tel: +607-789 1133 or +607-789 1134 ext. 139

Email: marhalil@mpob.gov.my

INTEREST

To produce potential planting materials through selection and evaluation of oil palm breeding materials

EDUCATION

B.Sc. Bioindustry

AREA OF RESEARCH

Oil palm evaluation (advanced and germplasm oil palm material, *E.guineensis* and *E. oleifera*), genetic resources priority traits (high yield, dwarf)

AREA OF EXPERTISE

Advanced materials improvement, germplasm and advantages introgression, interspecific hybrid
