

Research Officer Transgenic Technology Group

MR. LIM FOOK HWA

Tel: +603-8769 3902

Email: fookhwa@mpob.gov.my

INTEREST

Plant and fungal biotechnology;
Plant-pathogen molecular interaction.

EDUCATION

M.Sc. Genetic Engineering & Molecular Biology, UPM
B.Sc. Plant Biotechnology, UKM

AREA OF RESEARCH

Fungal molecular biology and genetic engineering.

AREA OF EXPERTISE

Fungal Protoplast polyethylene glycol (PEG) mediated transformation; RNA interference (RNAi) and genetic transformation of oil palm.
